

Cookie Monster Company was founded in 2001 by a husband and wife team, Tom and Janet. They began their dream of owning a bakeshop by making and selling cookies and macarons in their home kitchen. Since then, they've been able to expand to their store front on Front Street in Morro Bay. They enjoy the larger baking space to fulfill more orders but more importantly, being able to meet and make connections with their clientel.

Tom and Janet thank the community for their unconditional support in making their bakeshop dreams come true! That is why Cookie Monster Company always strives to be involved in and give back to the community as much as possible. They participate in community events by helping feed those with food insecurity and, more recently, provide PPE to protect community members from the COVID-19 pandemic. They also help support other local small businesses by providing a space to sell their products within the company store front and purchasing their ingredients from local organizations.
